REALITY OUTREACH MINISTRIES

If God is for us, who can be against us?

Romans 8v31

Sometimes it feels as if there is no way forward. No matter how you approach your situation it looks impossible. Since the coronavirus pandemic spread across the world there are many frustrations as we all struggle to get back to some kind of normal life.

Many have experienced significant change during this period which has brought with it uncertainty over jobs, finances, future plans and many other things. Some have experienced the loss of loved ones with the extra pain of separation through restrictions of lockdown.

As we all look to an uncertain future the one thing we can be sure of is that God has promised that He is with us and is for us and has plans to bless and prosper all that we do in His name.

May you know His continued peace, blessing, provision, healing, direction and grace over your life in these uncertain times.

MISSION TO POLAND

Back in February this year we took a new set of equipment to Poland to update our team there. It was always our intention to be with them on their first mission with that equipment to ensure everything was working properly and to carry out a little more training. Unfortunately Covid-19 got in the way of those plans for a while.

We thank God that during August He made a way for the team there to conduct two nights of missions in the open air. The first night was in Katowice and the second in nearby Bytom. Chris was able to join them.

There were a few challenges with the weather including a rather nasty storm during set up on the second day which sadly caused a small amount of equipment damage. There was a real possibility that we wouldn't be ready in time for the performance and also that people may not come out again if the weather was still bad. A number of people were praying for us and we thank God that by the time the performance was due to start the weather was clear and the people came in great numbers.

We praise God for many people that raised their hands to indicate that they would like to accept Jesus as Lord and Saviour and our team leader Pawel was able to lead them in a prayer of commitment to Christ.

We want to thank those of you who continue to pray for us and support us financially, your prayers and support help us to go when the opportunities arise.

Team Activity in Europe

We rejoice with our Estonian team that a door has opened for them in Latvia where the restrictions are less because they have had fewer cases of coronavirus. They were able to present the drama in a town called Ogre to a full house for three nights and about 40 people responded to the call of Christ on their lives. Praise God!

In Romania, our team have been able to present the drama in a tent. We praise God for almost 50 people who made a decision to follow Christ.
